

BIRDIES FOR CHARITY®

Interested in supporting a deserving cause and make your donation grow even further? You are invited to make a pledge of one cent or more, for every birdie made during the Valero Texas Open. Or you can make a one-time donation (suggested \$20 or more) to support your favorite charity or school. 100% of your contribution will directly benefit the organization asking for your support. In addition, Valero Texas Open provides incentives totaling over \$200,000 to charities, which in turn, helps make every donation go further than merely sending a donation directly to the charity.

Birdie [def]: In golf, a birdie is a score of one stroke under par (the expected score) for any hole on the course.
