YES TO BELONGING.

Every child deserves to feel seen, included and celebrated for exactly who they are.

"Teen wanted a graduation ring like her classmates"

Because of you, a teenager celebrated graduation feeling just like everyone else.

"Siblings hoped to attend summer camp together"

Because of you, siblings made memories together instead of spending another summer apart.

"Growing baby with a chance to thrive"

An 8-month-old baby entered foster care with almost nothing. Because of you, she received diapers, wipes, formula, and the essentials every baby deserves.

YES TO PERMANENCY.

Every child deserves the chance to be seen.
To be chosen. To have a forever.

"Being featured in the Heart Gallery gave me hope that a family would finally see me"

Through our Heart Gallery program and post adoption support, we help children and families build lasting connections that lead to permanency, and thrive long after the adoption is complete.

227 Children featured in the Heart Gallery

Professional portraits and stories have helped 227 children be seen for adoption since the Heart Gallery began.

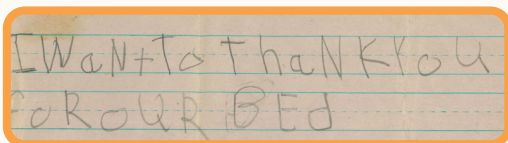

8 Adoptions Secured & finalized in 2026

8 more children have a forever family and a future filled with love. 31 children are in the process of adoption.

75 Post-Adoption families supported

We walk alongside families with resources, encouragement and support after adoption.

Thank you for believing that every child deserves someone to say yes.

Every dollar entrusted to Foster Angels becomes an opportunity to say yes when a child has nowhere else to turn.
